"I take pleasure in recommending to planters emitivating Cotton on bottom lands of the Mi-sissippi, Arkansas, White and St. Francis fivers, the Euraka sim, made by Duniel Pratt, of Alabama This Gin separates the bulls, bolls, etc., from the Seed Cotton, makes a good sample, and is superior to any other Gin for bottom lands. I have used one myself on a farm in Washington county, Miss., and it operates well and gives entire satisfaction in every respect.

Orders for Ginz, from 40 to 80 Saws and Gum Belting, at Factory Prices, addressed to the care of FARSINGTON & HOWELL, 268 Front sireet, Memphis, promptly filled. Presses and dearing put up, and Oins repaired by a skillful Ginwright.
